Use the Ozone Plug In Unit to eradicate odours from cooking, pet smells and smoking, use after decorating to help remove strong odours from painting or other DIY.

### Description:

The Ozone Plug in unit is our smallest, portable Ozone generator, it is designed to be used as an alternative to fragranced plug in products, rather than masking an odour use the Ozone Plug In to remove bad odours.

Our unit requires no cartridges so it is very cost effective to use. The product has a 1 year manufacturer's warranty, it is manufactured here in the UK. As the unit has a pre programmed timer, the machine can be used when the area is occupied. This generator produces 7mg of Ozone per hour.

### Benefits:

- Uses no chemicals
- Leaves no residuals
- Low maintenance
- No filters
- No refills
- 1 year warranty

### Features:

- Unique extended ozone chip life
- Integrated circuit board
- Ozone output 7mg/hr
- CE approved
- Twin LED light indicating power
- Timer Controlled
